This draft correspondence is under review in the Office of Water, who has been coordinating with OECA.
Is it possible to get another extension?

In the mean time, the correspondence folder (including the current draft) is on Alysa's desk,

Vicky -

Glad to hear about the extension. I'm forwarding this to Sue Kelly who's had the lead on handling this one. I'm not sure what to think on the control - maybe we should check with OCIR again? On the letter we had from Yudichak, it went all over - starting with OWM then to the Region or OECA and finally at OGC.

Keara, we've made some revisions to the response to Cong. Sestak's letter. I've attached our latest draft.

We have gotten an extension for our response, until October 18th. If you are consulting with OECA, do you think it would be best to re-control this to OW?--Vicky
